Hello Dan and ISD 728 Board Members,

Our citizen and parent group would like to invite each and every one of you to an event on September 21st at 7:00 p.m. in Rogers.

Mr. Kendall Qualls, of Take Charge Minnesota, and his wife will be speaking to our group about the educational system and some of the major challenges facing the black community fatherless homes. Mr. Qualls' organization is working to positively impact the black family as empirical data has consistently demonstrated that one of the main variables of human success depends on being born into a two parent home. Unfortunately, black family structure dramatically changed between the 1960s to 1980s with almost 80% of black infants being born to single mothers. Prior to this period, black children born into 2-parent families was 80%, the same for whites and had been stable for decades.

The presentation begins at 7 pm. Please join us for this wonderful opportunity to learn and be empowered.

Address:
21080 141st Ave N, Rogers
2nd floor activity room

Please RSVP by 9/19.

We look forward to you joining us.

Sincerely,
